THE MANACLE ROCKS,
CORNWALL

LL4820

By Appointment.

TUCK'S POST CARD

CARTE POSTALE. POSTKARTE.

FOR ADDRESS ONLY.

The Manacle Rocks are among the most dreaded of the many rocks and reefs which fringe the iron-bound Cornish Coast. They are situated on the east of the Lizard peninsula opposite St. Keverne. Many fine ships have been lost on these rocks, notable among which was the *John* transport, wrecked in May 1855, when nearly 200 lives were sacrificed. There is a bell-buoy to warn passing ships.
